TO REGISTER A PATIENT, WE INVITE YOU TO USE THE FOLLOWING STEPS:

1. The patient's medical team should complete the CSAN[®] registration form. The **downloadable CSAN[®] form** can be found on Clozaril.ca. Please complete the following sections of the form in order to register:
 - Section 1: Patient Information + latest CBC Baseline Values WBC and ANC (within last 28 days)
 *If your patient has revised standards, please notify us.
 - Section 2: Institution and Primary Contact Person
 - Section 3: Community Pharmacist – completed, signed and dated
 - Section 4: Physician or Prescriber – completed, signed and dated
2. **Once completed, signed and dated**, fax the CSAN[®] form to 1-800-465-1312. A confirmation of registration will be faxed to you.
3. The CSAN[®] team will arrange to have the patient's community pharmacist sign the document (section3) and ensure reimbursement of the medication.
4. The patient's medical team can then send a prescription for the new medication to the patient's community pharmacy.

The Clozaril[®] Assistance and Support Network (CSAN[®]) is available 24 hours a day, 7 days a week to provide support to healthcare professionals. Please do not hesitate to contact us.
